**MOPS Mission Statement:** *"MOPS International exists to encourage, equip and develop every mother of preschoolers to realize her potential as a woman, mother, and leader in the name of Jesus Christ."*

## What is MOPS (Mothers of Preschoolers)?

- An international organization (www.mops.org) designed for mothers with infant through preschool-aged children (age 4).
- A place to learn Biblical principles that help you in your life as a woman and a mother.
- A place for women to make new friends, share experiences, and laugh together.

## What happens at each MOPS session?

- Small group fellowship with other moms who face the same challenges and joys of mothering children as you.
- Time for making new friends and expressing your creativity through crafts.
- A speaker who encourages women in their faith and in their roles as mothers.

- While moms are at MOPS, children are cared for in age-appropriate classes.
- Childcare is provided for 10-week-olds through 2-year-olds in our outstanding nurseries by loving and kind caregivers.
- Older children will participate in the MOPPETS program where they will enjoy planned Bible lessons, songs, crafts and play.
