***Esther: It's
Tough
Being a
Woman***
by Beth Moore

Have you ever wondered if God could use YOU to do something wonderful or how God could use someone like YOU to fulfill His purposes? Upon hearing words like, *destiny* and *providence* you immediately think that those words refer to someone else, like presidents, kings, queens, or Mother Theresa, not a busy mother like me.

It is so easy to live day-to-day, task-to-task without considering God's providence in our lives. God intends for all of us to live with great purpose. He has allotted a destiny for each one of us, and has given us a choice to live it out.

If you are a mother of young children and desire to grow in your faith, be encouraged in the adventure of motherhood, and want to connect with other women in the same stage of life, join us on a journey through the book of Esther. Come discover the certainty that God has placed you in whatever position, circumstances or relationships you find yourself in
"for such a time as this."

What is MCBS (Mom Connection Bible Study)?

MCBS provides Moms an opportunity to grow in their walk with Jesus Christ and to learn Biblical principles of being a godly woman and mother. We support each other through prayer, Bible study, and group discussion. We meet on the second and fourth Tuesdays of the month, September through April. Childcare is available for infants through Pre-K.
